

PERSONAL EQUIPMENT

- Backpack (If you are using a support vehicle, be prepared to carry your gear from the parking area to the hut. Gear carts are provided at most of the huts, but backpacks are recommended over duffel bags or suitcases.)
- Day-pack
- Sleeping bag
- Pillowcase
- Hiking boots/shoes
- Hut slippers
- Wool hat
- Warm gloves
- Sunscreen and lip balm
- Sunglasses
- Water bottles (wide-mouth)
- Flashlight / Headlamp and extra batteries
- Pocket knife
- Insect repellent
- Food (Be sure some food is edible without cooking, and that each person carries their own trail food.)
- Cell phone and extra batteries / case (Coverage is not guaranteed anywhere in the backcountry—keep your phone off until you need it.)

GROUP EQUIPMENT

- Hut Trip Confirmation / Door Lock Combination (printed copy/copies)
- Trailhead / Parking information
- Guidebook / Route descriptions
- Topographic maps
- Compass
- GPS and extra batteries
- Altimeter and extra batteries
