
Winter Use Reservation Information & Parking Permit Winter 2022/23 -COVID-19 Policies

TRIP ORGANIZER: Please be sure to share this information and other reservation information with your group prior to departure! Please bring your confirmation letter with you and post it in the designated location when checking into the hut.

HUT AMENITIES: Sisters Cabin has 14 beds, divided among 3 rooms. All the bedrooms are upstairs. The hut is reserved for one group only. Overflow camping around the huts is not permitted. Sisters Cabin is equipped with propane cooktops, propane oven, wood burning heat stove, firewood, cooking/eating utensils, mattresses, solar-powered lighting, indoor composting toilets, a wood burning sauna, toilet paper, paper towels, and cleaning supplies.

CAPACITY: Recommended occupancy is variable depending on time of season and ongoing COVID-19 pandemic restrictions. Groups are limited to registered guests only. Overcrowding is in violation of SHA's US Forest Service Permit and will be subject to fines and restrictions on all future reservations.

HUT USER RESPONSIBILITIES: The success of SHA depends on the care provided by our guests. You are responsible for cleaning the cabin when you arrive and depart. This includes sweeping floors, cleaning the kitchen, washing your dishes, wiping down and spraying all surfaces, and hauling out ALL FOOD AND TRASH (trash bags are provided). Other instructions and rules are posted in the cabin. Please do not snowshoe on the stairs or decks and do not lean skis or poles up against the windows.

HUTMASTERS AND VOLUNTEERS: SHA realizes that groups that reserve the entire cabin are seeking privacy. However, SHA does not prevent hutmasters or volunteers from staying in the downstairs Hutmasters' Quarters, even when one group has booked the cabin. All hutmasters and volunteers are expected to respect the privacy of cabin guests while carrying out their maintenance duties. Maintenance staff is at the cabin once a week and guests should not be surprised to encounter hutmasters or volunteers during their visit. All hutmasters and volunteers are fully vaccinated for COVID-19.

CHECK-OUT/CHECK-IN: Check-Out time is 11:00am. Check-In time is 2:00pm. Please time your travels accordingly to prevent any overlap of groups. Upon departure, have your bags packed, cabin clean and other items on the "Before Departure Checklist" finished. This list is posted in the vestibule. Be ready to depart by 11:00am.

HANDICAP ACCESS: Sisters Cabin was built in accordance with the ADA and will accommodate persons with disabilities. However, Sisters Cabin should not be considered "easy access", as the trail to the cabin is a backcountry experience. For more information, please contact SHA at (970) 453-8583.

NO MOTORIZED ACCESS: During the winter season (November to May), motorized vehicles, including snowmobiles, are prohibited on Baldy Mountain. Violators may be subject to fines. Please access Sisters Cabin under your own power, carrying your own gear.

NO DOGS: Dogs are not permitted at or near the huts. This is due to social, aesthetic and wildlife concerns, and because of the need to melt snow for water. A U.S. Forest Supervisor's Order prohibits dogs within 200 feet of Sisters Cabin. Violations are punishable by law.

NO FIRES: Due to the potential forest fire danger, campfires are not permitted. Outdoor cooking is also not permitted as it attracts bears and other wildlife. It is illegal to discharge fireworks in the National Forest.

NO DAY USE: Day use is not permitted.
