

Summer Use Reservation Information & Parking Permit

TRIP ORGANIZER: Please be sure to share this information and other reservation information with your group prior to departure! Please bring your confirmation letter with you and post it in the designated location when you arrive at the hut.

HUT AMENITIES: Francie's Cabin sleeps 20 people, divided among 6 rooms. There are no double sleeping accommodations. The hut is booked to capacity and may be occupied by more than one group. Overflow camping around the huts is not permitted. Francie's Cabin is equipped with propane cooktops, wood burning heat stove, firewood, cooking/eating utensils, mattresses and pillows, solar-powered lighting, indoor composting toilets, a wood burning sauna, toilet paper, paper towels, and cleaning supplies.

CAPACITY: Occupancy is 20 people. Groups (including those that reserve the entire cabin) are limited to registered guests only. Overcrowding is in violation of SHA's US Forest Service permit and will be subject to fines and restrictions on all future reservations.

HUT USER RESPONSIBILITIES: The success of SHA depends on the care provided by our guests. You are responsible for leaving the cabin cleaner than you found it. This includes sweeping floors, cleaning the kitchen, washing your dishes, wiping down and spraying all surfaces, and hauling out ALL FOOD AND TRASH (trash bags are provided). Other instructions and rules are posted in the cabin.

HUTMASTERS AND VOLUNTEERS: SHA realizes that groups that reserve the entire cabin are seeking privacy. However, SHA does not prevent hutmasters or volunteers from staying in the downstairs Hutmasters' Quarters, even when one group has booked the cabin. All hutmasters and volunteers are expected to respect the privacy of cabin guests while carrying out their maintenance duties. Maintenance staff is at the cabin once a week and guests should not be surprised to encounter hutmasters or volunteers during their visit.

WATER: Water is available from a creek 50' north of the cabin. The creek is not a guaranteed water source, especially in the fall. The next closest water source is Crystal Creek 250 yards south of the hut. There is no cistern. Francie's water source is quite close to the cabin; labeled pails are provided to carry water. Bring your own filter.

BIKING/HIKING: The Forest Service roads and trails near the hut are great for outdoor activities such as biking and hiking. Please tread lightly, and ride/hike ONLY on designated trails and roads to protect the fragile high-altitude environment.

ARRIVAL/DEPARTURE: ARRIVAL TIME IS 2:00 PM AND DEPARTURE TIME IS 11:00 AM. Please time your travels so you arrive at Francie's Cabin after 2:00 PM. Upon departure, have your bags packed, cabin clean and other items on the "Before Departure Checklist" finished. This list is posted in the main room. Be ready to depart by 11:00 AM.

HANDICAP ACCESS: Francie's Cabin was built in accordance with the ADA and will accommodate persons with disabilities. However, Francie's Cabin should not be considered "easy access", as the trail to the cabin is a backcountry experience. For more information, please contact SHA at (970) 453-8583.

LIMITED MOTORIZED ACCESS: During the Summer season (July- September), motorized vehicles have limited access on Spruce Creek and Crystal Creek Roads. Please access Francie's Cabin under your own power, carrying your own gear. If you require motorized assistance in accessing the hut, please contact SHA at (970) 453-8583 for detailed information.

NO DOGS OR HORSES: Dogs and Horses are not permitted at or near the huts. This is due to social, aesthetic and wildlife concerns, and because of the need to use streams for water. A U.S. Forest Supervisor's Order prohibits dogs or horses within 200 feet of Francie's Cabin. Violations are punishable by law.

NO FIRES: Due to the potential forest fire danger, campfires are not permitted. Outdoor cooking is also not permitted as it attracts bears and other wildlife. It is illegal to discharge fireworks in the National Forest.

NO DAY USE: Day use is not permitted.

DIRECTIONS TO SPRUCE CREEK TRAILHEAD & PARKING

Drive about 2.5 miles south of Breckenridge on Highway 9 and turn RIGHT onto Spruce Creek Road. It's a sharp right that immediately banks upward. Opposite the turn is a lake. You've gone too far if you pass the lake and see residential lots on Highway 9.

Continue on Spruce Creek Road until you reach a parking lot at the end of the road.

PARKING The Spruce Creek Trailhead parking area is marked with several Forest Service signs, one saying "Spruce Creek Portal." Please be sure to post the appropriate parking permit on your dashboard or you may be towed. Make extra copies of the parking permit if your group requires more than one vehicle.
